

## Wikis and PDF annotator workshop – Angel Oak Elementary 3/26/12

### Workshop Activities:

1. Go to [www.wikispaces.com](http://www.wikispaces.com) and sign up for a wiki (use laptops to create wikis)
2. Manage wiki – Settings - Choose layout/appearance of wiki
3. Decide on purpose of wiki and create Home Page
4. Explore editing features: uploading files, photos, widgets, links, etc.
5. Create pages on wiki (Home page, pages by subject area, etc.)
6. Upload a PDF to the wiki (must upload to wiki from computer)
7. Download Notability (you should have this application on your iPad) PDF annotator app (iPad)
8. Open a PDF in Notability(iPad)
  - a. Explore features of Notability – writing, typing, highlighting, inserting photo, bookshelf file storage, uploading to Paperport Anywhere, etc.
9. Go to <http://irwin-ccsd.wikispaces.com/Math> and open PDF in Notability. Fill out document using Notability.
